EXAMINERS AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Claim 18 has been cancelled.

Authorization for this examiner's amendment was given in a telephone interview with Mr. McClure on 11-30-2004. .

The following is an examiner's statement of reasons for allowance: Claim 17 allowable for reasons stated in the response and in addition for Moskin ,figs 4,5 connector block 63 does not include protrusions and while it could be formed with cutouts in its sides thereby defining protrusions, there is no suggestion found in the prior art to do so, and such change cannot properly be considered an obvious change.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to Neil Abrams at telephone number 571-272-2089.
